NuMI Beam																										
NuMI Beam Simulation																										
Merge NOvA, Minerva branches onto HEAD	**New**																									
Merge variants into unified single codebase	**New**																									
Convert Flugg to output Dk2Nu ntuples (...)	**New**																									
Convert g4numi to write Dk2Nu ntuples (...)	**New**																									
Package up "fluka" as a UPS product	**New**																									
Package up "flugg" as a UPS product	**New**																									
Package up "g4numi" as a UPS product	**New**																									
Eliminate geometry overlaps	**New**																									
Solve issue w/ flugg files having entries (...)	**New**																									
Running g4numi throws energy non-conservation (...)	**New**																									
Review request [commit:HEAD-20160913-203816: (...)	**New**
